

BARCELONA COUGH CONFERENCE

Second International Symposium

Cough in clinical practice

17-18 February 2017

BARCELONA
Auditori AXA

Organisation:

PRESIDENT

Dr. Christian Domingo Ribas

SCIENTIFIC SECRETARIAT

Dr. Ana Sogo Sagardía / Dr. Laura Vigil Giménez

DESCRIPTION

Cough is the most prevalent clinical symptom in respiratory pathology. This International Symposium aims to update participants' knowledge of this pressing medical problem.

OBJECTIVE

To provide attendees with relevant, up-to-date information on cough treatment.

METHODOLOGY

Standard format symposium, with lectures for all attendees, in a single lecture hall. Practical workshops are not foreseen at present.

SYMPOSIUM TARGET AUDIENCE

- GPs • Pneumologists • Paediatricians • Gastroenterologists • Internal medicine specialists
- Geriatricians • Occupational health specialists • Allergists • Chemists • Otolaryngologists
